

The Cape Breton Fiddlers' Association gives a scholarship annually to the Gaelic College to assist a student who is taking classes there during the Summer Sessions. The recipient of the CBFA Scholarship this summer was Kenzie Burns. She is from Hammonds Plains, Nova Scotia, and she is twelve years old.

The following is a note from her mom, Danielle Burns...

Hi Betty,

Her main focus was highland dancing and she dances with Celtic Rhythm in Halifax. She took step dancing at March break and in the summer and has been stepping away ever since she came home. She also takes fiddle lessons here in Hammonds Plains with Starla Burns.

I told her you were my teacher (and Jean) when I went to the Gaelic college many years ago!"

Thanks!

Danielle Burns
